

# DECISION MAKING SPACE

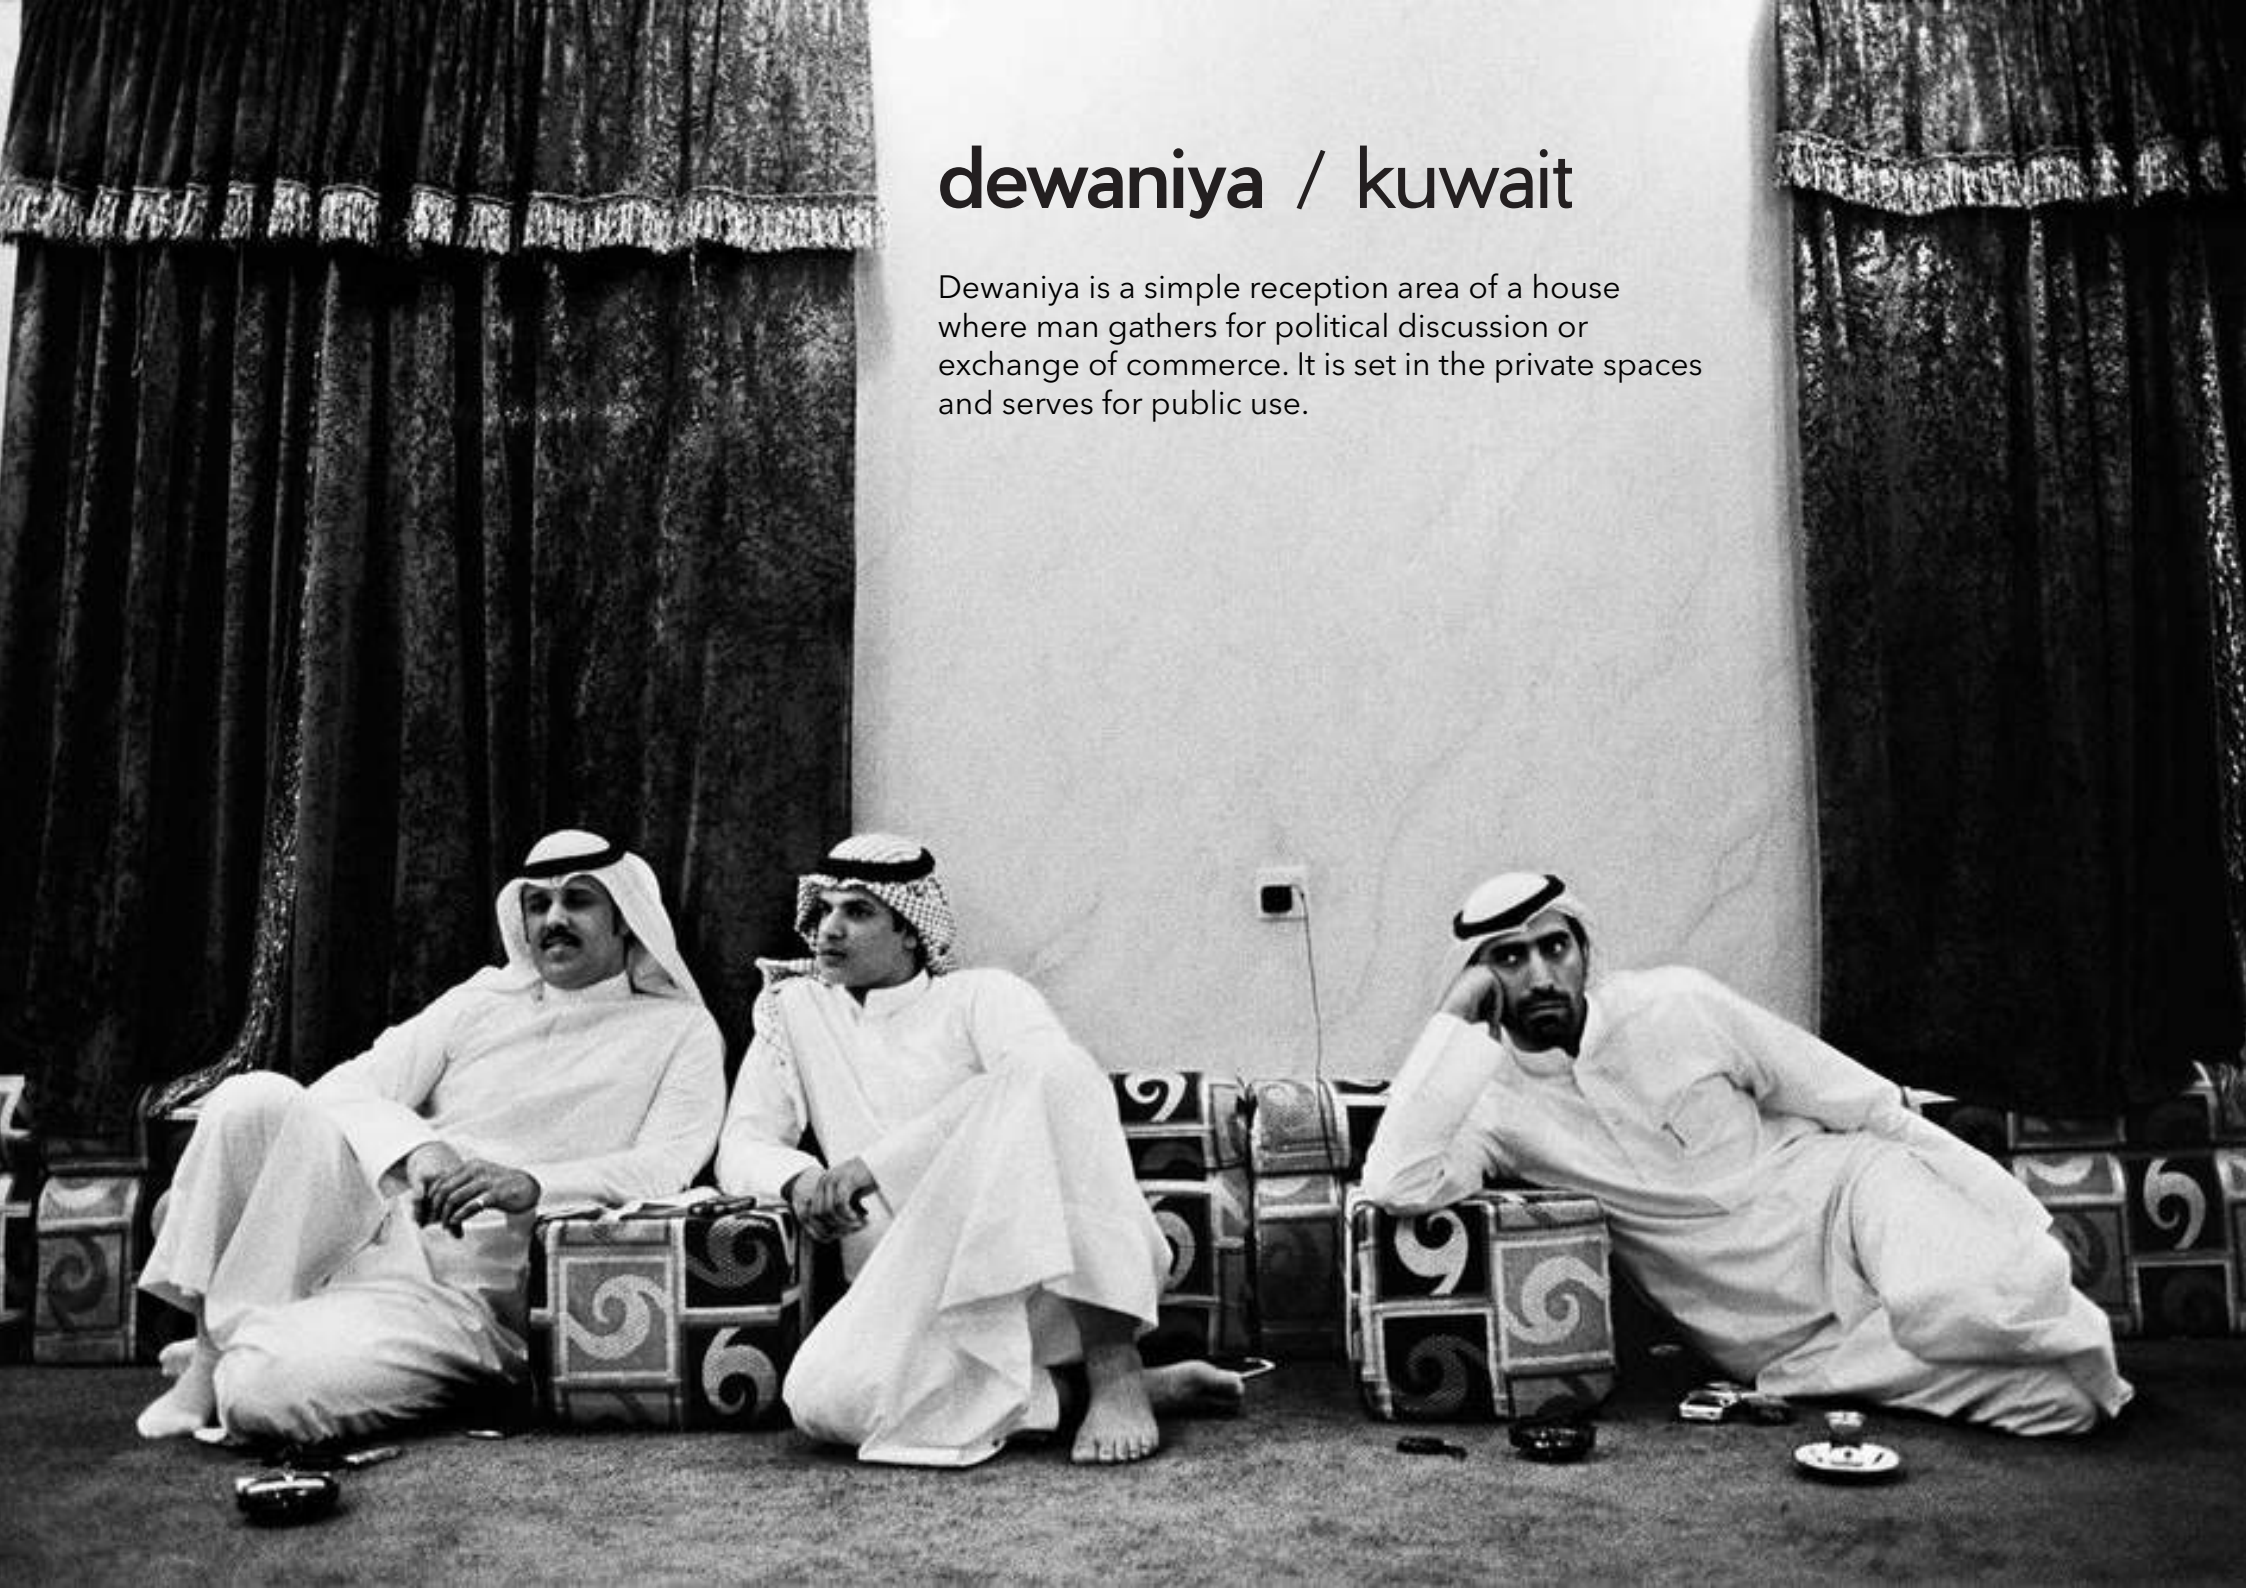

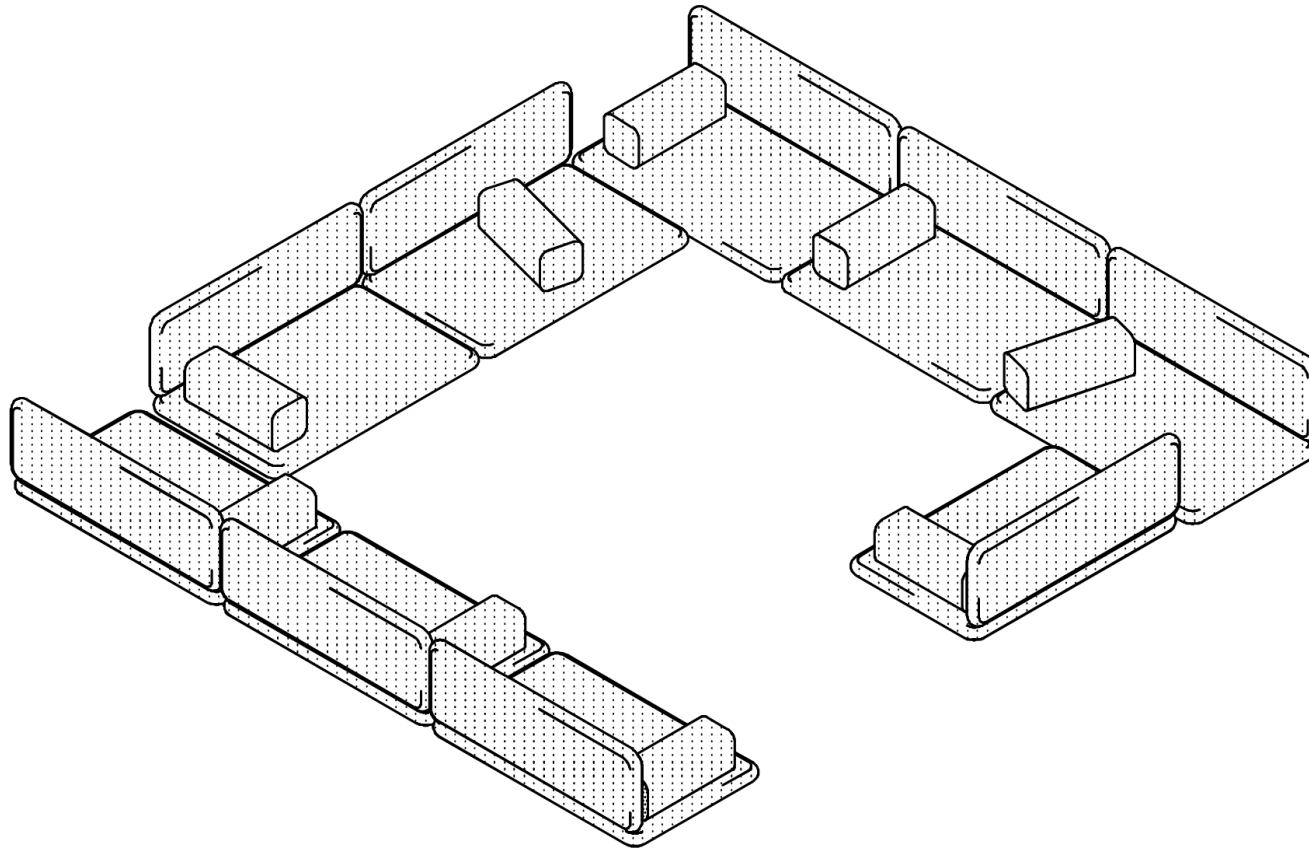

# dewaniya / kuwait

Dewaniya is a simple reception area of a house where man gathers for political discussion or exchange of commerce. It is set in the private spaces and serves for public use.

# dewaniya / kuwait

The Dewaniya is a simple four-sided room, with seating on each side, in which daily meetings are held; a central element of the ritual of this discursive articulation of Kuwaiti politics is the consumption of tea and coffee.
